

May 2009 Vised Class in Vegas

Noel Montgomery—USAF, Konrad P. Kulesza—AREVA NP, Inc, Douglas Dempsey—Idaho National Laboratory, Lawrence Burke—Idaho National Laboratory, Lisa Rawley—The Christie NHS Foundation, Michael Polewski—Australian Nuclear Science and Technology Organisation, Morris Hall—Idaho State University

Lakes and Lizards
The large panoramas are of Salt Lake. The pictures to the left are of some native lizards that are everywhere. These are pictures from Randy's drive to Las Vegas.

Bellagio

Flamingo

The picture at the left is a Statue of Liberty outside the "New York, New York" Hotel. All the rest of the pictures are of the Flamingo hotel.

Caesar's Palace

The Paris Hotel taken in daylight and at night. A fountain outside the Paris hotel. The bottom picture is the MGM Lion which is outside the MGM Grand hotel.

Mirage—Pictures of the volcano that erupts nightly at the Mirage. The volcano erupts every hour.

The Luxor Hotel
